## Glossary

### First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

### Ford or Lincoln Mercury Recall

The Ford Motor Company provides CARFAX with Field Service Action and recall information regarding safety, compliance and emissions programs announced since 2000 for a specific vehicle. For complete information regarding programs or concerns about this vehicle, please contact a local Ford or Lincoln Mercury Dealer.

### New Owner Reported

When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

### Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

### Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
